"Oh I can't wait to go outside!" "Calm down,"Skykit hissed. "Nobody is going anywhere until I say so," Rainheart purred."But, I wanna-" Moonkit was interrupted by Nightkit, "Haha! I can go outside without permission as long as its my wish!" "No fair!" Moonkit growled. "Nightkit and Blizzardkit are five and a half moons old. They can go outsde now," Rainheart said. All the sudden, a tall shadow appeared at the nursery entrance, and then, a black cat with ginger spots and stripes appeared right in front of everyone. "Hawkleaf!" Rainheart purred. "Mama, who's that?" Skykit whined in fear. "That's Hawkleaf, your father!" "Hi!" Moonkit yelled in joy. "Hello, I'm Skykit!" She purred. "I'm Moonkit, just in case you were wondering." She giggled."Ha! I know tour names, the two of you are just adorable!" "T-Thanks!" Moonkit purred in delight."Maybe, just maybe, I can sleep with you when the kits are older!" "Yeah, maybe tonight! You two okay with that?" "Of course!" Growled Moonkit."Yes, we sure can deal with that!" Skykit purred.
